INTRODUCING - - A SOLUTION FOR WHEN YOU NEED YOUR FUNDS IMMEDIATELY

With PNC Express Funds, when you deposit an approved check using Mobile Banking, you have an option to make the full amount available immediately for withdrawals and purchases. In addition, if the check you deposited using PNC Express Funds is returned due to insufficient funds, PNC will not debit your account for the amount of the check. The fee for this service is 2% of the total check amount (\$2.00 minimum charge).

Learn more about PNC Express Funds at pnc.com/mobiledeposit.

See the PNC Funds Availability policy for details on funds availability, cut off times and certain exceptions.

IMPORTANT INFORMATION REGARDING ACH TRANSACTIONS

Effective September 15, 2017, Automated Clearing House (ACH) rules are changing for all financial institutions so that more payments can be processed faster. Last year, ACH updated rules for credits, like direct deposits, so that they can post to your account on the same day they are submitted. Similarly, beginning on September 15, 2017, ACH debit transactions, including payments you initiate when you provide your account information to billers like your insurance company, may begin to post more quickly to your account throughout the day. Some debits that may be processed more quickly include those you authorize online or by phone.

If you have any questions, please refer to the number listed at the top of this statement.
